Report date: November 15, 2018/ Valid till: November 14, 2019 subject to semi-

## Scale and signifiers of CRISIL credit assessment score

Grade	Signifier
CCAS 1	Lowest risk in relation to other MSEs
CCAS 2	Very low risk in relation to other MSEs
CCAS 3	Low risk in relation to other MSEs
CCAS 4	Moderate risk in relation to other MSEs
CCAS 5	Moderately high risk in relation to other MSEs
CCAS 6	High risk in relation to other MSEs
CCAS 7	Very high risk in relation to other MSEs
CCAS 8	Highest risk in relation to other MSEs

CRISIL credit assessment score and report are provided to help MSEs understand how lenders view their credit report. It is not an endorsement or a determination of MSE's qualification for a loan. CRISIL's proprietary scoring model, which has been used for this score and analysis, is not necessarily the same scoring model that may be used by the lender(s).
